### **一、 Background**

The Belt and Road Initiative was supported by many countries and United Nations now. With the successful of the Belt and Road Forum for International Cooperation in Beijing, there should be more and more communication between the countries along the Belt and Road. It will help the peoples to know each other. The dialogues between the different civilization will be more meaningful for the peoples.

The Great Wall of China is a symbol of Chinese civilization. And it shows the Chinese spirit. It also is the culture landmark of China. Certainly, there are many different culture landmarks along the Belt and Road which represent the different civilization of countries.

### **二、 Meaning**

To shoot the 100 TV Feature Films and Drama Film along the Belt and Road named with Dialogue between China and World – Start from the Great Wall, the goal is to establish a bridge between the peoples through the films and to promote the people to people bond. Through the films, the people along the Belt and Road will understand the initiative more better and will actively support and join in the projects.

Meantime, we can organize many meaningful special culture activities along the countries, just like the exhibition, forum, dialogues of different fields, etc.

For example, the dialogue between the cultural landmarks summit of countries. All the activities will promote the mutual understanding of the countries.
